6<sup>th</sup> – 8<sup>th</sup> October 2022  
in Vienna / Austria

Detailed Information 1

2022 08 09

Dear participant to the upcoming ESSD conference!

As announced in our last e-mail, when we informed you that your abstract had been accepted, we now send more detailed information on the upcoming ESSD conference and the procedures to be followed.

## 1. ABSTRACTS - REVISIONS AND COMPLETIONS

You abstracts will be published in a book of abstracts. We mail the layouted abstracts back to the authors and ask them to complete incomplete section marked in red and to mail us a portrait photo in case it was missing in the original application (A photo is not mandatory, but it is nice for the participants to remember who presented what). You may also apply any final corrections, but the text should not exceed one page. The parts marked in green (telephone numbers, themes) will be deleted before producing the book of abstracts. This information is for our administrative purposes only.

➔ Please return your corrected abstract no later than 5 September. If no corrections are necessary, please send us a short confirmation note.

## 2. CONFERENCE OUTPUT FEE

In order to ensure the sustainability of the ESSD as a society and the continuity of the annual conferences and the ESSD publications, all participants to the ESSD conferences are required to pay a "Conference Output Fee". The fee is mandatory for all presenters and participants.

The standard Conference Output Fee is 100 Euro. ESSD Board members and students (bachelor, master and PhD students) pay a reduced rate of 50 Euro.

➔ This conference output fee must be paid before 5 September 2022 to the bank account:  
European Society for Social Drug Research  
BE26 5230 8112 6229 (Triodos Bank Belgium)

For your payment to be valid, you will need to add a mandatory reference with your payment: "ESSD 2022 plus your name and surname".

A proof of payment will be sent to your e-mail address after the payment is received. Participants who require an invoice, can contact the secretariat: [essd.research@ugent.be](mailto:essd.research@ugent.be).

All participants who pay the conference output fee will receive a free copy of an ESSD publication.

## 3. MEMBERSHIP TO THE ESSD

In case you are not yet a member to the ESSD, we recommend to have a look here <https://essd-research.eu/member.html> and plan to become an ESSD member. All participants who sign up as ESSD members before 15 September are eligible to vote in the election of the board, which will be organised electronically prior to the ESSD conference. (More info on candidates and voting procedure will be circulated after the summer break, in September.)

#### 4. EARLY CAREER RESEARCHER AWARD

The ESSD wishes to support and encourage new scholars in social drug research by an award for the best presentation by an early career researcher at the conference.

- ➔ If you are a master student or a PhD student, or completed your PhD no more than 3 years ago and if you do not have extensive experience of publications, you are an eligible candidate for this award. If you fit the definition above, please identify yourself as an early career researcher to the conference organisers via e-mail before the conference.

The decision on who will receive the early career researchers award will be made by the members of the ESSD Board and the winner will be announced at the closing session of the conference.

#### 5. LAST BUT NOT LEAST SOME ORGANISATIONAL ISSUES
